LS Nikko Copper Inc's evaluation

The following table lists the minimum requirements that must be satisfied by Refiners in accordance with the *LBMA Responsible Gold Guidance* to demonstrate compliance. Refiners should complete the table and provide reasons for their responses in the space provided. All boxes not shaded should be completed.

Table 2: Summary of activities undertaken to demonstrate compliance
Step 1: Establish strong company management systems
Compliance Statement with Requirement: We have fully complied with Step 1: Establish strong management systems.
LS-NIKKO Copper Inc. has adopted a policy regarding due diligence for supply chains of gold
Comments and Demonstration of Compliance: During 2012, we established an appropriate gold supply chain policy, which is consistent with the model set out in Annex II of the OECD Due Diligence Guidance. This sets out our responsibility for conducting risk-based due diligence, screening and monitoring of transactions and governance structures in place.
LS Nikko Copper Inc. has set up an internal management structure to support supply chain due diligence
Comments and Demonstration of Compliance: An internal management system has been set up to define the governance, roles and responsibilities, internal audit, communication and senior management review as per the adopted policy. The compliance officer has been assigned to manage the process, and has a direct line of reporting to the executive committee.
LS-NIKKOopper Inc has established a strong internal system of due diligence, controls and transparency over gold supply chain, including traceability and identification of other supply chain actors
Comments and Demonstration of Compliance:

<p>We have a robust responsible gold receipts process, and specific documents must be received and transactional details entered before we process the gold-bearing material.</p>
<p>LS Nikko copper Inc. has strengthened our engagement with gold supplying counterparties, and where possible, assisted gold supplying counterparties in building due diligence capabilities</p>
<p>Comments and Demonstration of Compliance:</p> <p>We have modified our general terms and conditions for the refining of materials so that they make reference to our responsible gold policy and Annex 2 of the OECD Due diligence Guidance for responsible supply chains of minerals from conflict-affected and high risk areas.</p>
<p>LS Nikko copper Inc. has established a company-wide communication mechanism to promote broad-based employee participation and risk identification to management</p>
<p>Comments and Demonstration of Compliance:</p> <p>We have an internal communication system in place, allowing employees to voice concerns over the Gold supply chain or newly identified risk.</p>
<p>Step 2: Identify and assess risks in the supply chain</p>
<p>Compliance Statement with Requirement:</p> <p>We have fully complied with Step 2: Identify and assess risks in the supply chain.</p>
<p>LS Nikko copper Inc. has a process to identify risks in the supply chain</p>
<p>Comments and Demonstration of Compliance:</p> <p>We identify and assess risks in the supply chain. We have established our criteria for high-risk categories and applied them for any gold supplying counterparty. We conduct due diligence following a risk-based approach. Following the due diligence process, we allocate a risk profile according to our risk profile criteria. This process is a formal requirement before entering into any business relationship with gold supplying counterparties.</p>
<p>LS Nikko copper Inc. assess risks in light of the standards of our due diligence system</p>
<p>Comments and Demonstration of Compliance:</p> <p>Supply chain due diligence comprising all measures required by the <i>LBMA Responsible Gold Guidance</i> is performed before entering into a business relationship with any gold supplying counterpart. We performed enhanced due diligence. In addition, we conducted appropriate scrutiny and monitoring of transactions undertaken throughout the course of the relationship.</p>
<p>LS Nikko copper Inc. report risk assessment to Senior management</p>
<p>Comments and Demonstration of Compliance:</p> <p>The Compliance officer provides a commentary report to the Senior manager, representing the senior management team on due course. The Senior manager must approve all new gold supplying counterparties. Senior manager retains the ultimate control and responsibility for the gold supply chain management.</p>
<p>Step 3: Design and implement a management system to respond to identified risks</p>
<p>Compliance Statement with Requirement:</p> <p>We have fully complied with Step 3: Design and implement a management system to respond to identified risks.</p>
<p>LS Nikko copper Inc. has devised a strategy for risk management of an identified risk by either (i) mitigation of the risk while continuing to trade, (ii) mitigation of the risk while suspending trade or (iii) disengagement from the risk</p>
<p>Comments and Demonstration of Compliance:</p> <p>During the reporting period, LS Nikko copper Inc. has properly implemented required strategy to respond to the identified risks.</p>

<p>Where a management strategy of risk mitigation is undertaken, it should include measureable steps to be taken and achieved, monitoring of performance, periodic reassessment of risk and regular reporting to designated senior management.</p>
<p>Comments and Demonstration of Compliances</p> <p>The relevant procedures are in place and, where and when necessary, appropriately applied. No risk was identified during this reporting period.</p>
<p>Step 4: Arrange for an independent third-party audit of the supply chain due diligence</p>
<p>Compliance Statement with Requirement:</p> <p>We have fully complied with Step 4: Arrange for an independent third-party audit of the supply chain due diligence.</p>
<p>Comments and Demonstration of Compliance:</p> <p>LS Nikko copper Inc. engaged the assurance service with KPMG Korea, and their independent reasonable assurance report will be available on LS Nikko copper Inc.'s website when issued.</p>
<p>Step 5: Report on supply chain due diligence</p>
<p>Compliance Statement with Requirement:</p> <p>We have fully complied with Step 5: Report on supply chain due diligence</p>
<p>Comments and Demonstration of Compliance:</p> <p>Our Responsible Conflict Mineral Policy is available on LS Nikko copper Inc.'s website. Our compliance report along with the assurance report will be available on LS Nikko copper's website when issued.</p>
